

TUNE 135BT

Wireless In-Ear headphones

Pure bass, wireless.

Introducing JBL Tune 135BT wireless in-ear headphones with JBL Pure Bass Sound. Thanks to the 25-hour battery life they can wirelessly stream high quality audio and provide hands-free call management. The Tune 135BT feature a pair of 8.6mm drivers punching out some serious bass, while the soft, ergonomically shaped earbuds ensure the listening experience remains comfortable for long-listening hours. In addition, a three-button remote with mic on a tangle-free cable lets you control music and calls and access your devices' voice assistant. The multi-point connection allows you to never miss a call, making the JBL TUNE 135BT your everyday companion for work, at home and on the go.

Features and Benefits

JBL Pure Bass Sound

For over 75 years, JBL has engineered the precise, impressive sound found in big venues around the world. These headphones reproduce that same JBL DNA, punching out bass that's both deep and powerful.

Customize your experience with the JBL Headphones app

Customize your audio using the EQ. Or create your own mix of calming sounds and set your preferred timing. Select the language of voice prompts and find your headphones when you lose them.

Up to 25-hour battery life with speed charge

Enjoy your music and take calls for 25 hours. Get a full 3 hours extra in just 10 minutes top up.

Multi-point connection and Google Fast Pair

Seamlessly switch from a video on your tablet to a call on your smartphone so that you'll never miss a call with multi-point connection. It just takes one click to pair your JBL Tune 135BT earbuds with your Android Bluetooth® device. After that, Google Fast Pair takes care of it for you.

Hands-free calls

Easily control your sound and manage calls from your headphones with the convenient three-button remote with microphone.

Tangle-free flat magnetic cable

A flat magnetic cable that's durable and won't tangle up in knots. The soft, ergonomically shaped earbuds allow you to enjoy your music in full comfort

IPX4 water resistant design

A fast walk or light rain won't spoil the fun: the JBL Tune 135BT are water resistant!
