BATTERY 200

An easy-to-replace spare battery

Keep the party going twice as long with JBL Battery 200

Even the best parties have to end sometime, but your JBL PartyBox Club 120 can keep the vibe going twice as long with this JBL Battery 200. When your rechargeable battery is running out of juice, it takes just seconds to pop a fresh battery into the slot on the back panel. Each battery has enough power for up to 12 hours of playtime, which means you could keep the party going for up to 24 hours. Double the great times, and enjoy the peace of mind that comes with an official JBL battery. Each battery comes in FSC-certified packaging printed with soy ink.

Features

- A great host always has a spare battery
- Guaranteed JBL Quality
- Fast charge
- Monitor playtime in the JBL PartyBox App
- Compatible with JBL PartyBox Club 120

BATTERY 200

An easy-to-replace spare battery

Features and Benefits

A great host always has a spare battery
Keep the party going twice as long by having a spare JBL Battery 200 on hand. Just insert it into the battery slot in the back of your JBL PartyBox Club 120 when the first one loses its charge. Each battery has enough power for up to 12 hours of playtime, which means you could keep the party going for up to 24 hours.

Guaranteed JBL Quality
Give yourself the peace of mind that comes from a trustworthy, reliable JBL Battery 200 that's guaranteed to work with your speaker.

Fast charge
10 minutes fast charge will give your JBL PartyBox Club 120 another 80 minutes of playtime.

Monitor playtime in the JBL PartyBox App
Just use your JBL PartyBox app to check the State of Charge (SOC) of your JBL PartyBox Club 320's current battery. When the SOC reading lets you know it's time, replacing the battery takes just seconds.

Compatible with JBL PartyBox Club 120
The JBL Battery 200 is only compatible with the JBL PartyBox Club 120. Other speakers in the JBL PartyBox series have different battery requirements.
