Inspire™ 100

In-ear sport headphones

Features and Benefits

Sweat proof

Developed for training in any conditions, the JBL® Inspire™ 100 endures through rain, water, and sweat.

TwistLock™ technology

Our patented TwistLock™ technology provides a secure fit, ensuring these headphones never fall out even during the most rigorous physical activities.

FlexSoft™

Guaranteed never to hurt, these headphones are made with ultra-soft flexible silicone for long-lasting ergonomic comfort.

Ambient Aware

Ergonomically designed to allow in ambient noise so you're aware of your surroundings during active use.

JBL Signature Sound with Pure Bass performance

For over 70 years, JBL has engineered precise, naturally articulated sound found in high-end cinemas, arenas and recording studios around the world.
